

## Announcement and News Release

### Change in Statutory Auditors

Singapore, June 2018 Royal Greyhound Pte Ltd announced the appointment of new statutory auditors Mazars LLP Singapore.

### Future

Royal Greyhound has appointed Mazars LLP as they enter into the next phase of its growth and looking to expand its horizons into the region.

“As Royal Greyhound is experiencing astronomical growth rates, the Board appointed an international auditing firm to help in our journey. We have been working with Mazars for some time and are excited to seek their professional advice and guidance.” Charles Reed CEO and MD Royal Greyhound.

### About Royal Greyhound Pte Ltd

Royal Greyhound Pte Ltd was established in 1980 and has been a successful SME for over 30 years. We provide innovative labour solutions for companies in Singapore on an outsource basis.

Its main operation is in Pasir Panjang sea port where we manage cranes, prime mover truck trailers, hyflux fork lifts and wharf services. Royal Greyhound has partnered with PSA for over 15 years and handled over 60 million TEUs over the years.
